

## **FURNITURE SPECIFICATION BIDS TECHNICIAN**

With close to 140 successful years in the industry, **Krug** is well recognized as a leader in the design & manufacture of high quality business and healthcare furniture. Currently we are seeking an innovative full-time Furniture Specification professional to join our team either in Kitchener.

- This position supports sales representatives and our bid response team with product specifications, drawings and pricing using 20/20 CAP Specifier, works with 2D and 3D drawings using CAP and incorporates AutoCAD drawings created by Engineering, and may involve preparing drawings using AutoCAD

The successful candidate must possess:

- Competency in AutoCAD (required), 3D a definite asset
- Experience with and/or aptitude to learn various software, i.e. CAP Specifier, as well as the ability to learn our product line
- 1 - 2 years working experience in Interior Design or a related field
- Furniture specification experience (strongly preferred)
- 2 - 3 year College Diploma in Interior Design or a related discipline (preferred)

We offer a competitive compensation and benefit package, as well as the opportunity to work with great people.

**If you thrive in a fast paced team environment, please apply.**

We thank all applicants and advise that only those selected for an interview will be contacted.

***Krug is an Equal Opportunity Employer***

Should you require an accommodation during the interview process, please let us know and we will work with you to meet your accessibility needs.
