

CONTROLLER/DIRECTOR OF FINANCE & ACCOUNTING

Krug, a leading Kitchener-based manufacturer of commercial and healthcare furnishings, is seeking a dynamic, hands-on financial and operationally-oriented leader to join our executive team. Reporting to the President, the successful candidate will work closely with the leadership teams of our production and related operations to drive focus and improvement in cost control and management throughout the company, and actively participate in leading the continual evolution of our operations in all areas - while also managing the company's accounting, credit, budgeting and financial functions. Bringing to us a combination of strong financial and operational acumen, you are seeking a company you can grow with. You will play a central role in leading and driving overall management objectives and performance, with opportunity for further advancement within the company.

The ideal candidate will have 5 or more years of experience in a similar role and ideally within manufacturing, with strength in both financial and management accounting, along with CA or CMA designation, and/or an MBA or other business degree.

Krug, founded in Kitchener in 1880 and continuously operating since then, is a well-established and recognized industry leader in both product design and performance, with multiple operating sites and large workforce. Our award-winning products are sold across North America and beyond.

Please apply in confidence on Indeed or LinkedIn.

We thank all applicants and advise that only those selected for an interview will be contacted.

Krug is an Equal Opportunity Employer.

Should you require accommodation during the interview process, please advise and we will work with you to meet your accessibility needs.
